

Aldo Leopardi, BDS, DDS, MS

Curriculum Vitae

OFFICE ADDRESS:

7400 East Crestline Circle, Suite 235
Greenwood Village, CO 80111
Phone: (720) 488-7677
Fax: (720) 488-7717
Email: aldo@aldoleopardi.com

PERSONAL INFORMATION:

Place of Birth: Adelaide, SA, Australia

POSTDOCTORAL TRAINING:

7/1990 - 6/1993 University of North Carolina at Chapel Hill, School of Dentistry
Master of Science Degree and Certificate: Fixed and Removable Prosthodontics
Clinical training also in Maxillofacial and Implant Prosthodontics

1/1996 - 7/1997 University of Detroit Mercy, School of Dentistry, Detroit, Michigan
Doctor of Dental Surgery, awarded: 7/1997

1/1980-12/1984 University of Adelaide, South Australia, AUSTRALIA
School of Dentistry
Bachelor of Dental Surgery, Dental Degree awarded: 5/1985

LICENSURE STATUS:

5/1999 - Present Colorado Registration
7/1997 - 2002 Michigan Registration

WORK HISTORY:

9/1999 - Present Private Practice,
Practice Limited to Prosthodontics, Greenwood Village, Colorado

10/1999 - Present Clinical Assistant Professor
Department of Restorative Dentistry, University of Colorado School of Dentistry

7/1997 - 8/1999 Assistant Professor
Director: Pre-Clinical Removable Prosthodontics
Preclinical and Clinical Instruction
University of Detroit Mercy, School of Dentistry, Department of Restorative Dentistry

10/1997 - 6/1999 Private Practice Limited to Prosthodontics, Plymouth, Michigan

1/1996 - 6/1997 University of Detroit Mercy, School of Dentistry, Detroit, Michigan

12/1993 - 11/1995 Sole Proprietor/Practitioner
Private Practice Limited to Prosthodontics
Parkway Medical Center
Robina, Queensland, AUSTRALIA
Fixed, Removable and Implant Prosthodontics

7/1990 - 6/1993 Assistant Clinical Professor, University of North Carolina at Chapel Hill
Undergraduate fixed Prosthodontic preclinical and clinical instruction

1/1985 - 5/1990 Private Practice Associateship, General Dentistry
Dr.'s Winwood and Mann, Elizabeth City Center, SA, AUSTRALIA

PROFESSIONAL AFFILIATIONS:

2006 - present The Academy of Osseointegration

2003 - present	The Denver Implant Study Club: <i>Founder and President</i>
2003 - 2008	The International Congress of Oral Implantologists
1997 - present	The American Dental Association
1990 - present	The American College of Prosthodontists
2000 - 2004	The American Academy of Fixed Prosthodontics
1985 - 1996	The Australian Dental Association

PROFESSIONAL MEETINGS ATTENDED:**National:**

8/2009	International Federation of Esthetic Dentistry 6 th World Congress. Las Vegas, NV
6/2009	2009 Dentsply North America Summit by the Sea, Tissue Wellness in Implant Dentistry, Key Biscayne, Florida
12/2005	American Association of Oral and Maxillofacial Surgeons, 2005 Dental Implant Conference, Chicago, Illinois
04/2010	ICOI Spring Symposium and 13 th IPS Symposium. New Orleans, Louisiana.
06/2004	The ICOI World Congress XXII, Las Vegas, Nevada
11/2003	The American Academy of Implant Dentistry 52 nd Annual Meeting, Florida
04/2003	Nobel Biocare World Conference, Las Vegas, Nevada
06/2002	20 th International Symposium on Ceramics, San Diego, CA
07/1996	15 th International Symposium on Ceramics, Orlando, Florida
2000	American College of Prosthodontists, Annual Session, Waikoloa, Hawaii
1997	American College of Prosthodontists, Annual Session, Orlando, Florida
1996	American College of Prosthodontists, Annual Session, Kansas City, Missouri
1991	American College of Prosthodontists, Annual Session, Reno, Nevada
1996 to 1998	The American Academy of Fixed Prosthodontics, Annual Scientific Session, Chicago, Il
3.2009	Academy of Osseointegration 24 rd Annual Meeting, San Diego, CA
3/2008	Academy of Osseointegration 23 rd Annual Meeting, Boston, MA
3/2007	Academy of Osseointegration 22 nd Annual Meeting, San Antonio, TX
3/2006	Academy of Osseointegration 21 st Annual Meeting, Seattle, WA
3/1999	Academy of Osseointegration 14 Annual Meeting, Palm Springs, CA

International:

10/1994	Nobel Biocare Team Days Conference, Sydney, Australia
---------	---

Regional:

06/2008	Occlusion I Program: Dr. John Kois, Seattle, Colorado
01/2005	Functional Driven Occlusion: Speaker: Dr. John Kois, Denver, Colorado
7/2004	Implant Considerations in the Aesthetic Zone: Sponsor, Nobel Biocare. Advanced Esthetics in the Premier Restorative Practice. Speaker: Dr. Frank Spear, Prosthodontist, Healsburg, California
6/2004	Smart Steps Program and the Atlantis Abutment System. Presenter: Dr. Scott D. Ganz, Prosthodontist, New Jersey Sponsor: Zimmer Dental

- 4/2004 Implant Assisted Orthodontics and Prosthetic Treatment Planning.
Presenter: Dr. Frank Celenza, Orthodontist/Periodontist, Manhattan, New York
Sponsor: Dr. Ole T. Jensen, Denver, Colorado
- 9/2002 Dr. David McFadden, Prosthodontist: ITI Implant Prosthetic Overview
Marriot Southeast Denver, CO
- 6/2002 Restorative and Surgical Considerations in Implant Therapy
Nobel Biocare, Yorba Linda, CA, Presenter: Dr. Peter Wohrle
- 11/2000 Lifecore Biomedical: Restorative Implant Dentistry, Jeff Carlson, CDT
- 9/2000 Friadent Implant System: Restorative Considerations, Renzo C. Casellini, MDT
- 10/2000 Nobel Biocare, Replace Select Implant System, Dr. K. Hebel, Prosthodontist
- 1/2000 The Denver Midwinter Dental Convention, Denver, CO
- 9/1999 Dr. Howard Landesman, Fixed and Removable Prosthodontics, Denver, Colorado
- 1/1998 Aesthetic Dentistry for the 21st Century, Dr. Edward M. Narcisi
- 5/1996 A Potpourri of Prosthodontics, Michigan Prosthodontics Society, Birmingham, MI

PRECLINICAL TEACHING RESPONSIBILITIES:

- 6/1997 - 8/1999 Director
DCD 829, Preclinical Removable Prosthodontics
University of Detroit Mercy, School of Dentistry
- 6/1997 - 5/1998 Co-Director
DCD-833, Preclinical Fixed Prosthodontics I
DCD-824, Preclinical Fixed Prosthodontics II
University of Detroit Mercy, School of Dentistry
- 1/1997 - 5/1997 Instructor
DCD 829, Preclinical Removable Prosthodontics
University of Detroit Mercy, School of Dentistry
- 9/1996 - 12/1996 Instructor
DCD-833, Preclinical Fixed Prosthodontics I
University of Detroit Mercy, School of Dentistry
- 1/1996 - 5/1996 Instructor
DCD-824, Preclinical Fixed Prosthodontics II
University of Detroit Mercy, School of Dentistry
- 9/1991 - 5/1992 Fixed Prosthodontics
University of North Carolina at Chapel Hill, School of Dentistry

CLINICAL TEACHING RESPONSIBILITIES:

- 6/1997 - 8/1999 Senior Implant Program
Junior and Senior Fixed and Removable Prosthodontics
University of Detroit Mercy, School of Dentistry
- 9/1996 - 8/1999 Senior Comprehensive Care Prosthodontics,
University of Detroit Mercy, School of Dentistry
- 5/1997 - 7/1997 Junior Complete Denture Clinical Course, University of Detroit Mercy, School of
5/1996 - 8/1996 Dentistry
- 1/1996 - 8/1999 Junior Prosthodontics, University of Detroit Mercy, School of Dentistry

- 1/1993 - 6/1993 Senior fixed Prosthodontics, University of North Carolina at Chapel Hill, School of Dentistry
- 9/1990 - 5/1991 Department of Operative Dentistry,
University of North Carolina at Chapel Hill, School of Dentistry

DIDACTIC TEACHING RESPONSIBILITIES:

- 6/1997 - 8/1999 Director
DCD 829, Preclinical Removable Prosthodontics
Responsibilities: lecturing, laboratory materials and student evaluation
University of Detroit Mercy, School of Dentistry
- 11/1998 Lecture: *Nightguard Vital Bleaching*, University of Detroit Mercy, School of Dentistry
- 9/1997, 10/1998 Lecture: *Restoration of Endodontically Treated Teeth*
DCD-833, Fixed Prosthodontics Course, University of Detroit Mercy, School of Dentistry
- 4/1997 Lecture: *Dental Porcelain and Color Theory*,
DCD-824, Preclinical Fixed Prosthodontics II,
University of Detroit Mercy, School of Dentistry
- 10/1996, 10/1997, 10/1998 Lecture: *Fitting of the Restoration, Solder Relations, Occlusion and Cementation*
DCD-833, Fixed Prosthodontics Course, University of Detroit Mercy, School of Dentistry
- 10/1996, 10/1997 Lecture: *Materials: Metals and Porcelain, Color Theory*
DCD-833, Fixed Prosthodontics Course, University of Detroit Mercy, School of Dentistry
- 10/1996, 9/1997, 10/1998 Lecture: *Alginate Impressions and Stone Casts: Material Characteristics and Clinical Technique*
DCD-815, Essential of Clinical Practice, University of Detroit Mercy, School of Dentistry
- 9/1996 Lecture: *Occlusal Vertical Dimension, Definition and Methods*
DCD-829, Complete Denture Preclinical Course
University of Detroit Mercy, School of Dentistry
- 8/1996 Lecture: *Complete Denture Prosthodontics: Case Presentations*
DCD-829, Complete Denture Preclinical Course,
University of Detroit Mercy, School of Dentistry
- 4/1996 Lecture: *Dental Porcelain: Materials, Laboratory Considerations, Case Presentations*
DCD-824, Preclinical Fixed Prosthodontics II,
University of Detroit Mercy, School of Dentistry
- 3/1996 Lecture: *Materials: Provisional Crowns*
DH-816, Dental Materials II, University of Detroit Mercy, School of Dentistry
- 2/1996 Lecture: *Indirect Aesthetic Materials: Dental Porcelain and Laboratory Processed Composite Resin*, DH-816, Dental Materials II
University of Detroit Mercy, School of Dentistry
- 2/1996 Lecture: *Direct Aesthetic Materials: Composite Resin and Glass Ionomer Cement*
DH-816, Dental Materials II, University of Detroit Mercy, School of Dentistry

CONTINUING EDUCATION PRESENTATIONS:

- 06/2010 What Does it Take to Become Profitable in Implant Dentistry? Complex Dental Implant Treatment Planning Considerations. Seattle Study Club: Capital District Continuum for Advanced Dental Education. Albany, New York.
- 05/2010 Dental Implant Provisionalization Considerations and Techniques: the road map to enhanced treatment outcomes. The 21st Century Study Club. Minneapolis, Minnesota
Complex Dental Implant Treatment Considerations. The research and technology forum: emerging technologies for optimized esthetics. Sponsor: BioHorizons. Sonoma, California
- 04/2010 Dental Implant Treatment Planning for the Edentulous Patient. Sponsor: Dr. Jay Malmquist, Oral and Maxillofacial Surgeon. Portland, Oregon
Complex Dental Implant Treatment Considerations. ICOI Spring Symposium and 13th IPS Symposium. New Orleans, Louisiana.
Dental Implant Treatment Planning: the edentulous patient and complex considerations. Sponsor: The Denver Implant Study Club, Denver, Colorado
Complications and Complex Treatment Considerations in Implant Dentistry. Sponsor: Implant Educators, Philadelphia, Pennsylvania.
- 03/2010 Complications in Dental Implant Therapy. Sponsor: Seattle Summit Dental Study Club. Seattle, WA
Overdenture Therapy: Treatment Planning Considerations. Webinar. DentalXP.
The Team Approach to Implant Dentistry: the essential relationship between the dental laboratory and dental office. Colorado Dental Laboratory Association. Denver, CO
- 02/2010 Dental Implant Therapy: fixed and removable treatment planning considerations. Sponsor: Dr. Rick Berrios, Oral and Maxillofacial Surgeon, Huntington Beach, California.
- 11/2009 Treatment Planning Update and Complications in Implant Dentistry. Sponsor: Dr. Jay Malmquist, Oral and Maxillofacial Surgeon. Portland, Oregon.
- 10/2009 American Association of Oral and Maxillofacial Surgeons, 91st AAOMS Annual Meeting, in conjunction with the Canadian Association of Oral and Maxillofacial Surgeons. Toronto, Canada. Topic: Fixed Restoration of the Edentulous Atrophic Maxilla. Joint presentation with Dr. Ole T. Jenson, Oral and Maxillofacial Surgeon.
Removable Implant Dentistry: Treatment planning and clinical techniques. Sponsor: Dr. Kenneth Lang, Periodontist, Reno, NV.
- 09/2009 Top Down Approach to Dental Implant Treatment Planning: The Aesthetic Zone. Sponsor: The Summit Dental Study Club, San Diego, CA
Restorative Treatment Considerations in Removable and Fixed Implant Dentistry. Sponsor: Louisiana Society of Oral and Maxillofacial Surgeons.
- 08/2009 Dental Implant Provisionalization Techniques and Considerations: the road map for enhanced treatment outcomes. Sponsor: Denver Implant Study Club. Denver, Colorado
Complications and Complex Treatment Considerations in Implant Dentistry. Sponsor: Implant Educators, Ft. Lauderdale, Florida.
- 07/2009 The Denver Implant Study Club: Treatment Planning Session: Hands on. Denver, Colorado
- 06/2009 The Denver Implant Study Club: The Pearls of Implant Dentistry. Denver, Colorado
- 03/2009 Implant Dentistry: Clinical and Scientific Update, Part II. Sponsor, Dr. Aziz Bohra, Periodontist. Phoenix, Arizona.
- 02/2009 American Academy of Cosmetic Dentistry, Colorado Division. Topic: Anterior Abutment Selection: history and current concepts. Denver, Colorado.
- 01/2009 The Cleveland Academy of Advanced Dental Education. Top-Down Approach to Dental Implant Treatment Planning: Parameters for Success in the Aesthetic Zone. Implant Dentistry: Clinical and Scientific Update, Part I. Sponsor, Dr. Aziz Bohra, Periodontist. Phoenix, Arizona.

- 12/2008 American Association of Oral and Maxillofacial Surgeons, 2008 Dental Implant Conference. Treatment of Failed Teeth 7, 8, 9 and 10 with Associated Significant Gingival Display: The Aesthetics Quagmire. Chicago, Illinois.
- 11/2008 Academy of Comprehensive Esthetics. Annual Meeting. Topic: Top-Down Approach to Dental Implant Treatment Planning: Parameters for Success in the Aesthetic Zone. Bonita Springs, Florida.
Seattle Study Club of Atlanta. Complex Interdisciplinary Treatment Planning and Restorative Considerations for the Partially Edentulous Patient. What Does it Take to be Profitable in Implant Dentistry? Interactive Group Treatment Planning of a Young Adult with Partial Anodontia: Team Treatment Planning. Host: Dr. Colin Richman, Periodontist. Atlanta, Georgia.
Dental Implant Complications. Sponsor: The Denver Implant Study Club. Denver, Colorado.
- 10/2008 Dental Implant Treatment Planning: Top Down Approach. Sponsors: Allegheny General Hospital - Dr.'s David Dattilo, Jim Hall, Joseph Cillo and Mark Grenadier, Oral and Maxillofacial Surgeons. Pittsburgh, Pennsylvania.
The Institute of Dental Implant Awareness, 2008 Conference: Strategies for Success in a Convoluted Market. Lecture topic: Conventional Three-Unit Fixed Partial Denture versus Dental Implant Therapy. Chicago, Illinois.
Implant Restorative Residency Program: Session three. Fixed Considerations in Implant Dentistry. Sponsor: Dr. Richard Hoodenpyle, Periodontist, Franklin, NC
Implant Restorative Residency Program: Session four. Removable Considerations in Implant Dentistry. Sponsor: Dr. Michael Perry, Periodontist, Memphis, Tennessee.
Dental Implant Treatment Planning and Restorative Considerations in the Aesthetic Zone. Sponsor: Oral and Maxillofacial Surgery Group, Minneapolis, MN.
- 09/2008 What Does It Take To Be Profitable In Implant Dentistry? Sponsor: The Northern Virginia Implant Study Club. Dr. Stewart Graves, Oral and Maxillofacial surgeon. Fairview, Virginia.
Implant Restorative Residency Program: Session two. Treatment planning – group case presentations. Sponsor: Dr. Richard Hoodenpyle, Periodontist, Franklin, NC
Implant Restorative Residency Program: Session three. Fixed Considerations in Implant Dentistry. Sponsor: Dr. Michael Perry, Periodontist, Memphis, Tennessee.
Complex Treatment Considerations in Implant Dentistry. Sponsor: Implant Educators. Fort Lauderdale, Florida.
- 08/2008 Literature Review Update: Implant Overdenture Therapy. Sponsor: Dr. Brent Sanders, Periodontist. Phoenix, Arizona.
- 07/2008 Overdenture Implant Therapy. Sponsor: Black Hills District Dental Society
Dental Implant Treatment Considerations for the Completely Edentulous Patient. Sponsor: Dr. Phillip Cary, Oral and Maxillofacial Surgeon. Canadagua, New York
- 06/2008 Implant Restorative Residency Program: Session One. Sponsor: Dr. Richard Hoodenpyle, Periodontist, Franklin, NC
Implant Restorative Residency Program: Session two. Treatment planning – group case presentations. Sponsor: Dr. Michael Perry, Periodontist, Memphis, Tennessee.

- 05/2008 American Academy of Cosmetic Dentistry, 24th Annual Scientific Session, New Orleans, Louisiana:
- Dental Implant Treatment Planning and Restorative Considerations – The Aesthetic Zone.
 - Esthetic Concepts and Techniques in Complete Denture Therapy.
- Top Down Approach to Dental Implant Treatment Planning: Parameters for Success. Sponsors: Dr.'s Robert Schlueter, Scott Schlueter and John Hoppin. Periodontists. St. Louis, MI.
- Implant Restorative Residency Program: Session One. Sponsor: Dr. Michael Perry, Periodontist, Memphis, Tennessee.
- Advanced Concepts in Implant Dentistry. Sponsor: Keystone Dental, Madison, Wisconsin.
- Complex Treatment Considerations in Implant Dentistry. Sponsor: Implant Educators, Philadelphia, Pennsylvania.
- 04/2008 Treatment Considerations and Restorative Techniques in Fixed and Removable Implant Dentistry. Sponsor, Dr. William Carroll, Periodontist, Toledo, Ohio.
- Implant Restorative Residency Program: Session Four – Overdenture Implant Therapy. Sponsor: Dr. John Rogers, Periodontist, Medford, Oregon.
- 03/2008 Treatment Considerations and Restorative Techniques in Implant Dentistry. Sponsor, Dr. Michael Huber, Periodontist, Lonetree, Colorado.
- Implant Dentistry: A scientific and Clinical update. Sponsors: Dr. Michael Dachowski and Michael Shelkon, Oral and Maxillofacial Surgeons. Philadelphia, Pennsylvania.
- Treatment Considerations and Restorative Techniques in Implant Dentistry. Sponsor, Dr. Thomas Schneider, Periodontist, Toms River, New Jersey.
- 02/2008 The Academy of Osseointegration, 23rd Annual Meeting, Boston, MA:
- *Implant Abutments, Pre-Contoured Components (opening symposium)*
 - *Treatment of a Young Adult with Partial Anodontia (main forum)*
 - *Aesthetic Zone Immediate Provisionalization Techniques (corporate forum, Lifecore Dental)*
- Overdenture Implant Therapy. Co-presentation with Dr. David Garber, Periodontist/ Prosthodontist. Sponsor: Lifecore Dental, Team Day Event, Los Angeles, CA.
- Implant Restorative Residency Program: Session Three – Fixed Considerations' in Implant Dentistry. Sponsor: Dr. John Rogers, Periodontist, Medford, Oregon.
- Dental Implant Therapy for the Edentulous Patient: Sponsor: Dr. Steve Exler, Periodontist, Los Angeles, CA.
- 12/2007 Implant Restorative Residency Program: Session Two – Treatment Planning/Group Case Presentation and Discussions. Sponsor: Dr. John Rogers, Periodontist, Medford, Oregon.
- 11/2007 Dental Implant Removable Overdenture Therapy: Biomechanical Approach to Treatment Planning and Prosthetic Considerations. Sponsor: Dr. Joseph Goth, Oral and Maxillofacial Surgeon, Pittsburg, Pennsylvania.
- Dental Implant Treatment Planning and Restorative Considerations: The Aesthetic Zone. Sponsor, Dr. Marc Stein, Vineland, New Jersey.
- 10/2007 The Partially Edentulous Patient: Dental Implant Treatment Planning and Aesthetic Zone Considerations. Sponsors: Dr. Joel Jaspen and Dr. Domenico Zifo, Periodontists, Philadelphia, Pennsylvania.
- Implant Restorative Residency Program: Session One. Sponsor: Dr. John Rogers, Periodontist, Medford, Oregon.
- 08/2007 Complex Treatment Considerations in Implant Dentistry. Sponsor: Implant Educators, Ft. Lauderdale, Florida.
- Dental Implant Treatment Planning and Restorative Considerations: The Aesthetic Zone. Sponsor: Dr. Chris Babcock, Louisville, Kentucky.
- Implant Restorative Residency Program: Session Three, Partially Edentulous Fixed and Overdenture Implant Therapy. Phoenix, Arizona, Sponsors: Dr. Aziz Bohra and Dr. Hudson Johnston, West Valley Periodontics

- 07/2007 Surgical and Restorative Challenges and Complications in Implant Dentistry. Sponsor: The Denver Implant Study Club, Denver, Colorado.
- 05/2007 Dental Implant Therapy: Treatment Planning and Restorative Considerations of the Partially Edentulous Patient. Sponsor: Dr. Joseph Goth, Oral and Maxillofacial Surgeon, Pittsburg, Pennsylvania.
Implant Restorative Residency Program: Session Two, Treatment Planning. Phoenix, Arizona, Sponsors: Dr. Aziz Bohra and Dr. Hudson Johnston, West Valley Periodontics.
- 04/2007 Dental Implant Treatment Planning and Restorative Considerations: The Aesthetic Zone. Sponsor: Dr. Doug Mahn, Periodontist, Manassas, Virginia.
Implant Restorative Residency Program: Session One. Phoenix, Arizona, Sponsors: Dr. Aziz Bohra and Dr. Hudson Johnston, West Valley Periodontics
- 03/2007 Provisionalization of Immediately Placed Dental Implants. Lunch and Learn. The American Academy of Osseointegration 22nd Annual Meeting. San Antonio, Texas.
Treatment Planning and Restorative Considerations in Implant Dentistry. Sponsor: Dr. Michael Perry, Memphis, Tennessee.
Dental Implant Therapy: The Aesthetic Zone. Sponsor: Central Massachusetts Study Group, Boston, Massachusetts.
Treatment Planning and Restorative Considerations in the Partially Edentulous Patient. Sponsor: Central Oregon Dental Implant Study Club, Medford, Oregon.
- 02/2007 Aesthetic Zone Treatment Planning Considerations in Implant Dentistry. Sponsor: Dr. Philip Cary, Oral and Maxillofacial Surgeon, Canandaigua, New York.
Dental Implant Removable Overdenture Therapy: Biomechanical Approach to Treatment Planning and Prosthetic Considerations. Sponsors: Dr. J. Brent Sanders, Periodontist, Peoria, Arizona.
- 01/2007 Implant Restorative Residency Program: Session Four, Fixed Considerations in Implant Dentistry. Phoenix, Arizona, Sponsors: Dr. Aziz Bohra and Dr. Hudson Johnston, West Valley Periodontics.
- 12/2006 Case Acceptance and Treatment Planning Considerations in Implant Dentistry. Sponsor: Dr. Greg Vance, Periodontist, Lexington, Kentucky.
Implant Restorative Residency Program: Session Three, Overdenture Implant Therapy. Phoenix, Arizona, Sponsors: Dr. Aziz Bohra and Dr. Hudson Johnston, West Valley Periodontics
- 09/2006 Paulina's Promise Seminar Series. Dental Implant Aesthetic Zone Treatment Planning and Clinical Considerations. Denver, Colorado
American Academy of Periodontology. Provisionalization Techniques and Considerations for the Prima Implant System: Aesthetic Zone Immediate Provisionalization. Corporate Sponsor: Lifecore Biomedical. San Diego, California
The Rocky Mountain Dental Study Club. Aesthetic Zone Dental Implant Immediate Provisionalization. Denver, Colorado
- 08/2006 The South Florida District Dental Association. Overview of Dental Implant Treatment Planning and Aesthetic Zone Considerations. Florida Keys, Florida
Implant Restorative Residency Program: Session Two, Treatment Planning. Phoenix, Arizona, Sponsors: Dr. Aziz Bohra and Dr. Hudson Johnston, West Valley Periodontics.

- 07/2006 Prosthetic Design for Long-Term Success. The Event, Lifecore 2006, Napa, CA
The Aesthetic Zone: Treatment Planning and Clinical Considerations to Maximize Patient Expectations and Treatment Outcomes. The Denver Implant Study Club, Denver CO
The Denver Implant Study Club. The Aesthetic Zone: Treatment Planning and Clinical Considerations to Maximize Patient Expectations and Treatment Outcomes.
- 06/2006 Implant Restorative Residency Program: Session One. Phoenix, Arizona, Sponsors: Dr. Aziz Bohra and Dr. Hudson Johnston, West Valley Periodontics
The Partially Edentulous Patient: Biomechanical and Restorative Considerations. The Denver Implant Study Club. Denver, CO
The Aesthetic Zone: Treatment Planning, Biomechanical and Restorative Considerations. The Kansas Missouri Periodontal Study Club. St. Louis, MO
- 05/2006 The Summit Dental Study Club. Treatment Planning and Restorative Considerations in Implant dentistry. San Diego, CA
The Summit Dental Study Club. Treatment Planning and Restorative Considerations in Implant dentistry. Phoenix, AZ
- 03/2006 The Consortium Dental Study Club. Treatment Planning and Restorative Considerations in Implant Dentistry. Philadelphia, PA
The Aesthetic Zone: Implications of Adjacent Implants. Sponsor: Dr.'s Lytle and Tate, Oral and Maxillofacial Surgeons, Pasadena, CA
- 02/2006 Dental Implant Treatment Planning and Biomechanical Considerations: Sponsors: Dr.'s Stephen Denbrock and Jay Crossland, Foothills Oral and Maxillofacial Surgery, Tuscon, AZ
Denver Implant Study Club: Overdenture Implant Therapy
- 01/2006 The Northern Virginia Dental Society. Treatment panning and restorative considerations in implant dentistry.
The Rocky Mountain Dental Convention. Implant dentistry for the dental team: the basics and beyond.
Implant Restorative Residency Program: Session Four, Implant Overdenture Therapy. Palm Springs, CA, Sponsors: The Mirage Center, Dr.'s Peter Scheer, Stephen Kreizenbeck and Phillip Seim, Oral and Maxillofacial Surgeons
- 12/2005 American Association of Oral and Maxillofacial Surgeons. 2005 Dental Implant Conference. Chicago, Illinois. A Team Approach to Anterior Bone Graft Cases. Co-presenter: Dr. Ole Jensen, Oral and Maxillofacial Surgeon.
- 11/2005 Implant Restorative Residency Program: Session Two, Treatment Planning Palm Springs, CA, Sponsors: The Mirage Center, Dr.'s Peter Scheer, Stephen Kreizenbeck and Phillip Seim, Oral and Maxillofacial Surgeons
Single Implant System: Predictable Cement-On-Crown Implant Dentistry for the Posterior Zone. The Denver Implant Study Club. Denver, CO
Dental Implant Treatment Planning and Restorative Considerations in the Anterior Zone. Sponsor: Dr. Lester Machado, Oral and Maxillofcaial Surgeon. San Diego, CA.
Dental Implant treatment Planning for the Edentulous and Partially Edentulous Patient. Sponsor: Dr. Richard Squillaro, Periodontist. Philadelphia, PA.
- 10/2005 Simplified Dental Implant Protocol
The Denver Implant Study Club. Denver, CO
Dentistry by Choice, Speciality BootKamp. Dallas, Texas

- 09/2005 Implant Restorative Residency Program: Session One
Palm Springs, CA, Sponsors: The Mirage Center, Dr.'s Peter Scheer, Stephen Kreizenbeck and Phillip Seim, Oral and Maxillofacial Surgeons
- 08/2005 Implant Restorative Residency Program: Session Four (Removable Implant Therapy).
Sponsor: Dr. Martin Tilley, Oral and Maxillofacial Surgeon, Kearney, Nebraska
- 07/2005 Implant Restorative Residency Program: Session Three (Removable Implant Therapy). Sponsor: Dr. Lester Machado, Oral and Maxillofacial Surgeon, San Diego, California
- 06/2005 Implant Therapy: Treatment Planning Update, Biomechanical, Immediate Placement/Provisionalization and Complex Restorative Considerations: Sponsors: Dr.'s Koffler and Hollander, Periodontists, Novato Oaks, CA
- 05/2005 Implant Restorative Residency Program: Session Three (Fixed Implant Therapy). Sponsor: Dr. Lester Machado, Oral and Maxillofacial Surgeon, San Diego, California
Treatment Planning Update: Implant Therapy. Sponsors: Rocky Mountain Specialists Study Club, Dr.'s Haradon and Lackler, Periodontists, Colorado Springs
Single Stage Implant Therapy: Treatment Planning and Biomechanical Considerations. Sponsor: North County Oral and Maxillofacial Center, Dr. Gerald Unhold, San Diego, California
- 04/2005 Implant Restorative Residency Program: Session Three (Fixed Implant Therapy).
Sponsor: Dr. Martin Tilley, Oral and Maxillofacial Surgeon, Kearney, Nebraska
- 02/2005 Treatment Planning Consideration in Implant Dentistry. Sponsor: The Rocky Mountain Dental Study Club. Vail, Colorado
Implant Restorative Residency Program: Session Two (Treatment Planning). Sponsor: Dr. Lester Machado, Oral and Maxillofacial Surgeon, San Diego, California
- 01/2005 Implant Restorative Residency Program: Session Two (Treatment Planning). Sponsor: Dr. Martin Tilley, Oral and Maxillofacial Surgeon, Kearney, Nebraska
Implant Restorative Residency Program: Session One. Sponsor: Dr. Lester Machado, Oral and Maxillofacial Surgeon, San Diego, California
- 12/2004 Advanced Restorative Implant Considerations: Sponsor, Dr. Joel Jaspan, Periodontist, Philadelphia, Pennsylvania
- 11/2004 Implant Restorative Residency Program: Session Four (Overdenture Implant Therapy). Scottsdale, AZ, Sponsor: Dr. J. Brent Sanders, Periodontist
Implant Restorative Residency Program: Session One. Sponsor: Dr. Martin Tilley, Oral and Maxillofacial Surgeon, Kearney, Nebraska
Denver Implant Study Club: Treatment Planning and Prosthetic/Surgical Complications.
- 10/2004 Overdenture Implant Therapy: Sponsor, Dr. Douglas Mahn, Periodontist, Manassa, Virginia
Advanced Restorative Implant Considerations: Sponsor, Dr. John Ross, Periodontist, Virginia Beach, Virginia
Implant Restorative Residency Program: Session Four (Overdenture Implant Therapy). Palm Springs, CA, Sponsors: The Mirage Center, Dr.'s Peter Scheer, Stephen Kreizenbeck and Phillip Seim, Oral and Maxillofacial Surgeons

- 9/2004 Implant Restorative Residency Program: Session Three (Fixed Restorations)
Scottsdale, AZ, Sponsor: Dr. J. Brent Sanders, Periodontist
Palm Springs, CA, Sponsors: The Mirage Center, Dr.'s Peter Scheer, Stephen Kreizenbeck and Phillip Seim, Oral and Maxillofacial Surgeons
Denver Implant Study Club: Overdenture Implant Therapy.
- 8/2004 Denver Implant Study Club: Screw Retained Restorations, Fixed and Removable Implant Laboratory Considerations.
Single Stage Implant Considerations: Immediate Placement and Provisionalization Criteria, Provisionalization Techniques, Treatment Planning, Sponsors: Rocky Mountain Specialists Study Club, Dr.'s Haradon and Lackler, Periodontists, Colorado Springs
- 7/2004 Implant Restorative Residency Program: Session Two (Treatment Planning)
Scottsdale, AZ, Sponsor: Dr. J. Brent Sanders, Periodontist
Palm Springs, CA, Sponsors: The Mirage Center, Dr.'s Peter Scheer, Stephen Kreizenbeck and Phillip Seim, Oral and Maxillofacial Surgeons
- 6/2004 Poster/Table Clinic Presentation: Reconstruction of the Atrophic Maxilla: Retrievable Fixed Prosthetic Rehabilitation. The ICOI World Congress XXII, Las Vegas, Nevada
Implant Restorative Residency Program: Session One
Palm Springs, CA, Sponsors: The Mirage Center, Dr.'s Peter Scheer, Stephen Kreizenbeck and Phillip Seim, Oral and Maxillofacial Surgeons
- 5/2004 Implant Restorative Residency Program: Session One
Scottsdale, AZ, Sponsors: Dr. J. Brent Sanders, Periodontist
A retrospective look at where implant therapy began, the current standard of care, and where we are going...immediate loaded single stage implants
San Diego, CA, Sponsor: Dr. Lester Machado, Oral and Maxillofacial Surgeon
A prosthodontic approach to complex implant restorative considerations
Bend, OR, Sponsor: Dr. Keith Krueger, Oral and Maxillofacial Surgeon
- 03/2004 Denver Implant Study Club: Single Tooth Implant Therapy, Sponsor Nobel Biocare
- 02/2004 Removable Implant Prosthodontics: Phoenix, Arizona, Dr. Jason Augustine, Periodontist
Restorative Considerations in Implant Dentistry: The Western Colorado Dental Society, Grand Junction, Colorado
A retrospective look at where implant therapy began, the current standard of care, and where we are going...immediate loaded single stage implants. The Mirage Center, Oral Maxillofacial Surgery, Dr. Peter Scheer, Palm Springs, California
Implant Restorative Residency Program: Session Four - Overdenture Therapy
Denver, CO, Sponsors: Dr.'s Curry and Latta, Oral and Maxillofacial Surgeons
- 01/2004 Denver Implant Study Club: Increasing Implant Case Acceptance, Single Stage Implant Therapy.
Implant Restorative Residency Program: Session Three - Fixed Implant Therapy
Denver, CO, Sponsors: Dr.'s Curry and Latta, Oral and Maxillofacial Surgeons
- 12/2003 The 21st Century study Club, Minneapolis, MN, Fixed Implant Prosthodontics.
- 11/2003 Denver Implant Study Club: Introduction of the BioHorizons Dental Implant System, and O-Ring Style Overdentures

- 10/2003 Support Plus II Advanced Implant Restorative Program : Lifecore Biomedical
 Kearney, Nebraska, Sponsor: Dr. Martin Tilley, Oral and Maxillofacial Surgeon
 \$ Wilmington, NC, Sponsor: Dr. Bruce Arne, Oral and Maxillofacial Surgeon
Denver Implant Study Club: Introduction of the Nobel Perfect Scalloped Implant,
 and Complex Implant Restorative Considerations
- 9/2003 Support Plus II Advanced Implant Restorative Program : Lifecore Biomedical
 Bend, Oregon, Sponsor: Dr. Keith Krueger, Oral and Maxillofacial Surgeon
Implant Restorative Residency Program: Session Two - treatment planning
 Denver, CO, Sponsors: Dr.'s Curry and Latta, Oral and Maxillofacial Surgeons
- 8/2003 Denver Implant Study Club: Implant-Bar Overdenture Therapy
- 7/2003 Denver Implant Study Club: Screw Retained Restorations
Implant Restorative Residency Program: Session One - overview of implant therapy
 Denver, CO, Sponsors: Dr.'s Curry and Latta, Oral and Maxillofacial Surgeons
- 6/2003 Support Plus II Advanced Implant Restorative Program : Lifecore Biomedical
